REPUBLICANS' RECKLESS SPENDING PLAN WOULD COST IDAHO JOBS AND MAKE IDAHO COMMUNITIES LESS SAFE

There is no disagreement that we need to cut spending. We believe that we need to do it in a responsible way so that we live within our means and can invest in the future, out-building, out-educating, and out-innovating our competitors in the world economy. But as the economy continues to recover from the deepest recession in a generation, we cannot afford to make dramatic and indiscriminate cuts that would undermine Idaho jobs and public safety. The reckless Republican spending plan would do just that - an estimated 3,200 Idaho jobs would be lost if H.R. 1 is enacted into law, and thousands of Idaho families would be less safe.

REPUBLICAN SPENDING PLAN WOULD DESTROY IDAHO JOBS

- Independent, non-partisan analysis has found that H.R. 1 will cut 700,000 jobs through 2012, with Idaho set to lose more than 3,200 jobs.
- More than 1,000 community health center jobs will be eliminated in Idaho if the House-passed bill is enacted.

REPUBLICAN SPENDING PLAN WOULD HURT EDUCATION IN IDAHO, MAKE IDAHO'S WORKFORCE LESS COMPETITIVE

- Under H.R.1, the average Idaho undergraduate with Pell college tuition assistance will see their assistance cut by more than \$700.
- Nearly 800 Idaho children will lose access to Head Start, an early education program that is proven to help students complete high school.
- Idaho could lose more than \$10 million in job training investments under H.R.1, which would impact over 470,000 potential Idaho workers.

REPUBLICAN SPENDING PLAN WILL MAKE IDAHO LESS SAFE

- H.R. 1 reduces Byrne Justice Grants for Idaho by approximately \$800,000.
- H.R. 1 reduces Idaho's homeland security investments by nearly \$800,000 hurting local law enforcement's ability to keep Idaho safe.
